

Midnight Pie

Words and music by Alexander Sands, 2023

(Refrain)

Midnight pie,
Midnight pie,
O you keep me up all of the night
Midnight pie,
It don' lie- you're so fine!

Hot and sticky sweet, gon' knock the socks off your feet
Walkin' down that long country mile
Midnight pie,
Come inside-
Don't be shy!

(Refrain)

Midnight pie,
Midnight pie,
The thought of you is drivin' me wild
Midnight pie,
It don' lie, you're so fine!

So baby go back to sleep, and keep on countin' the sheep
The fox is crawlin' under the wire-
Midnight pie
You're so fine
You're *allllllllllll mineeee !!!!*
(hoots and hollering)

Blueberry, strawberry, cherry, and peach
All the juices gon' run down my cheek
Boysenberry, rhubarb, lemon, Key lime
Smooth like a sweet Sherry Wine-
Topped with cream?! What a dream!

No we don't need a plate, don't need to go on a date
We don't need no fork and no knife
Just midnight pie-
It don't lie- you're my *kiiiiind!*
